Proudly Honors

Patriot of the Month

November 2017

Jason Otis Rainey

United States Army

Sponsored by:
Olde Towne Fenton
Chapter

Jason entered the United States Army in October 1987. He went to basic training at Fort McClellan, Alabama. His Primary Specialty is Chemical Operations Specialist.

Jason was sent to Camp Casey, South Korea. He had a special role in the Army as he was the Nuclear, Biological, and Chemical (NBC) weapons expert and because he was the NBC person, he had access to chemical decontamination. He turned that equipment into a hot water heater. The engineers in camp made sinks with polished pieces of steel for the purposes of shaving. With that, Jason took it a step further and made shower heads so the people could take hot showers.

Jason also served at Fort Stewart, Georgia. He was discharged in July, 1992.

Medals, awards, and citations he earned are as follows: Army Service Ribbon; National Defense Service Medal; Driver and Mechanic Badge; Overseas Service Ribbon; Southwest Asia Service Medal w/3 Bronze Service Stars; Army Achievement Medal w/oak leaf cluster; Expert Badge (Rifle and Grenade); Army Commendation Medal; Kuwait Liberation Medal; Army Good Conduct Medal (1st Award).

Jason is a member of his local Lutheran Church and their Men's Club. He is also a member of his local Veterans of Foreign Wars Post. He and his wife have three sons. All of his sons are involved in the Boy Scouts and one is an Eagle Scout.

Olde Town Fenton Daughters are proud and honored to recognize Jason Otis Rainer as Patriot of the Month for his patriotism and dedicated service to our great nation.
