Chapter

Bill King was drafted into the United States Army in March 1969 and served until January 1971. For the majority of his service he was assigned to an infantry unit in Vietnam.

Of his time in Vietnam, Bill says, "I wouldn't do it again for a million dollars but I wouldn't take a million dollars for the experience". A large number of the soldiers Bill served with hold reunions every other year and Bill has attended several. He feels it's a great way to stay connected with others that spent so much time together serving their country.

Bill is a member of the Eldon Noble Eagles, a patriotic and civic organization. To be a member requires loyalty, dedication, and the propensity to have fun. Membership takes you on a journey into brotherhood through service and dedication to your community and the United States of America.

Rock Island Daughters are very proud to honor and recognize Bill King as Patriot of the Month for his dedication, patriotism and service to our great nation.
