Patriot of the Month

**Winnie C.  
Warnock**

Sponsored by:

Marshall Chapter  
Marshall, Missouri

Winnie C. Warnock entered the United States Navy on February 15, 1944. She was stationed in Norfolk, Virginia where she was in charge of a hospital ward. Winnie helped teach the Hospital Corpsmen their duties in the hospital. She worked in the surgical and medical units.

Upon being transferred to Camp Shoemaker in California, Winnie was assigned to U.S. Naval Hospital Shoemaker, a 3,000 bed hospital. She worked in the locked ward. The soldiers she took care of were in body casts. She said it was very hot and the soldiers were so uncomfortable.

Winnie is very active in her local Optimist Club. Last year she was nominated and placed as Optimist of the Year. Through the Optimist Club, she assists with fund raisers for the children's cancer program. In the summer during baseball season, she works in the concession stand selling hot dogs and nachos. She says it is a lot of work but fun to do and she gets to know the ball players. Winnie helps with the weekly dinners at her church and on many other occasions when a

**meal needs to be served.**

**Throughout her lifetime Winnie has been one who cares and does for others. Winnie is married to Harry F. Warnock. They have three children, three grandchildren, and two great grandchildren. She is a Methodist.**
