Chapter

Tracy entered service in April, 2000. She joined the 139th Airlift Wing in St. Joseph, MO and, in 2006, joined her current squadron, the 139th Civil Engineers, at Andrews Air Force Base, MD.

When asked why she joined the military, Tracy shared the following: "I have a strong family history serving in the military, and I believe in the Constitution. The commissioning oath states that 'I, Tracy R. Beattie, having been appointed a Lt. Col. In the United States Air Force, do solemnly swear that I will support and defend the Constitution of the United States against all enemies, foreign and domestic, that I will bear true faith and allegiance to the same; that I take this obligation freely, and without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office upon which I am about to enter. So help me God'. The military officer pledges to defend the Constitution, nothing else, which I think honors the intent of our forefathers' words and actions for the continuation of our great Nation!"

Tracy is married and has two daughters. She is a member of the Daughters of the American Revolution, Chi Omega Sorority, the Missouri National Guard Association and the National Guard Association of the United States.

Platte Purchase Daughters are very proud to honor and recognize Tracy Beatty as Patriot of the Month for her patriotism and dedication service to our great nation.
