## Catherine Boulware

United States Navy

Sponsored by:

Missouris Shoal Chapter, NSDAR

Catherine was assigned to a maritime patrol aircraft squadron, stationed in the Philippine Islands during Operation Enduring Freedom in 2005. Her job was a Mission Commander and in charge of eleven aircrew. She flew ten-hour missions supporting the U.S. Navy Seal Teams who were searching for Al-Qaeda terrorists cells. They used their equipment to find the terrorists and then tell the Seals how to get to them.

On another assignment, she launched aircraft from the flight deck of an aircraft carrier. She was in charge of 250 sailors and she enjoyed every minute of it. Although the flight deck is a very dangerous place to work, it never felt like work to her. She stated that it was the best time of her life.

The Missouri Shoal Chapter is proud to honor Catherine Boulware as a Patriot of the Month.
