

# Missouri State Society Daughters of the American Revolution

Proudly Honors

Patriot of the Month

January 2024

## Darrell Wolf

### United States Army

Sponsored by:  
Missouris Shoal Chapter, NSDAR

I graduated from Leon High School, Leon, KS in 1964. I had moved to Missouri and was drafted into the Army and spent my Basic Training at Ft. Leonard Wood, MO. Then transferred to Ft. Sill, Lawton, OK, for Advanced Individual Training, and my first Duty Station was Cu Chi Vietnam for seven months and then I was sent to Hanau, Germany, where I served until December 1968 active duty. I served in Field Intelligence.

I received the Good Conduct Medal and others. I grew up in a family of men who served in the Army and Navy during WWII and they never talked about it so I feel the same way about the conflicts that I went through. I was discharged from Active Duty at Ft. Dix, New Jersey in December 1968.

After I was discharged, I worked in Radiation Physics. My primary job was designing radiotherapy treatment plans for cancer patients. Education: I am a Registered X-ray & Radiation Therapy Technician, Dosimetrist and have a college degree in Physics and Health Care Administration.

I belong to the American Legion, Masons, Food Pantry and Gower Christian Church.

I have one daughter and two grandchildren. My daughter works in the Health Profession in Cardiology.
